'Buy a Bubble'
buyabubble.nz

Hornby Rotary with Greater Hornby Residents Association are running a fundraising campaign to enable a hydrotherapy pool to be built as part of the new Matatiki: Hornby Centre.

We are almost there! We have raised \$1.17 million of the \$1.4 million needed. The pool is currently under construction!

We are asking local Hornby businesses to consider helping us fund a great local asset by purchasing a 'bubble'.

We have three sizes of 'bubble' on offer and these will be placed in the busiest corridor in the centre with an estimated foot traffic of 314,000 visitors a year to admire for a minimum of 10 years!

We have had great support so far from other Hornby business owners and we would love yours! Go to buyabubble.nz to help!

*artistic Impression for promotion only

Some of our great 'buy a bubble' supporters!
